Share a Ride

Share a ride with your co-workers
and save on gas!

Once at work, one person from the vehicle is requested to record your participation by inputting information into an Excel spreadsheet at environmental.ksc.nasa.gov/EMS/recycle.htm

Each "One Day to Share" participant will receive a small gift from our partner.

The gift can be picked up in Room 1633L in Headquarters or Room 4309D in OSB 1.
