

## Pilot Program for Recycling of Plastic Bags – current status 9/6/2012

Don't throw those plastic grocery bags in the trash anymore! Bring your clean, dry and empty plastic grocery bags to one of the following locations for recycling – OSB I lobby, OSB II lobby or Headquarters lobby.

- Only clean, dry and empty plastic grocery bags
- No food or cling wrap
- No prepackaged food bags including frozen food bags (e.g., pre-washed salad bags)
- No other bags
- No bio-based or compostable bags

POC: Amy Mangiacapra, 861-2695 or [amy.s.mangiacapra@nasa.gov](mailto:amy.s.mangiacapra@nasa.gov)

Other related info as per Amy on 9/6/12, bags will be stored and eventually located at the proposed MRF.
