**Approvals/Signatures**

NASA TA-D Contract  
Manager Approval: \_\_\_\_\_  
*Print Name* *Signature* *Date*

NASA EPB  
Chief Approval: \_\_\_\_\_  
Diane K. Callier *Signature* *Date*

**Notes**

1. Mail-Code to NASA Environmental Program Branch (EPB), TA-C3, attention Permitting and Compliance.
2. Friable asbestos (a.k.a. regulated asbestos) is not accepted into the KSC/Schwartz Road Landfill. Non-friable asbestos will only be accepted upon determination by the NASA EPB Chief as a significant cost savings when compared to offsite disposal costs.
3. This form must be completely filled out prior to arrival with the asbestos waste at the KSC/Schwartz Road Landfill. **MAKE A COPY OF THE COMPLETED FORM FOR YOUR RECORDS.** Scale-house operator will retain the completed *original* form.
